Valdivia's representations to the King of Spain on conditions in Chile, and the treatment of the Indians there.

The date of the present letter (though the British museum suggests 1615) cannot be earlier than 1620, for the context shows it to have been written in Spain after the author had completed his work in Chile, which he began in 1612 (*cf.* verso of leaf 1) and which continued eight years. He states (leaf 1, recto) that he was sent to Chile "29 años ha". Medina gives February 9, 1593 as the date of his departure from Lima and April 12 of the same year for his arrival in Santiago. *cf.* Medina, Biblioteca hispano-chilena, 1897, t. 1, p. 179–192.

"Il m'a semblé amusant et pittoresque de pénétrer dans certaines arrière-boutiques ... qui appartiennent au milieu bien caractéristique de l'antiquaille ... Les combinaisons et les scandales que l'on voit éclore devraient faire réfléchir ceux qui contribuent, par leur crédulité et leur snobisme, à faire de ces trafics les plus fructueux qui soient."—Avant-propos.
"Pour être romanesque dans ses détails, l'affabulation de cet ouvrage n'en est pas moins, dans le fond, profondément vraie."
